EASTERN REGIONAL HIGH SCHOOL
COURSE ASSIGNMENT WAIVER FORM

2024-2025 SCHOOL YEAR

Name of Student: _____

Present Grade Level: **8th**

Date of Recommendation: _____

WAIVER PERIOD: MARCH 11 - APRIL 30, 2024

A review of teacher recommendations, grades, and standardized test scores indicate that your child may have difficulty with the course(s) you have chosen. If the child fails any of these courses, graduation may be delayed or your child may become ineligible to participate in athletics and activities.

If you choose to enroll your child in these courses for which he/she was **not** recommended, please know a level change or a request to drop the course will be denied unless extraordinary circumstances are demonstrated. Such requests will be strictly scrutinized by administration to understand the underlying reason for the request as well as the student's commitment and dedication to: 1) preparing for all course activities and assessments, 2) completing all course assignments, 3) attending extra help sessions with the teacher and attending academic support, and 4) mitigating other extra-curricular activities that interfere with the time necessary to succeed in the course.
