In accordance with the "New Jersey First Act" amending N.J.S.A. 52:14-7:

I hereby attest my principal residence* is in the state of New Jersey.

I hereby attest that my principal residence is outside the State of New Jersey. I understand that I have one year to relocate and establish my principal residence in the State of New Jersey. Failure to do so will result in my being deemed unqualified for holding my position in accordance with the New Jersey First Act.

By signature below I acknowledge receipt of the information contained in N.J.S.A. 52:14-7. I also acknowledge my obligation to notify the Superintendent's Office if/when my principal residence changes.

- *In accordance with statute, the law defines "principal residence" to mean:
- (1) where the person spends the majority of his or her non-working time, and
 - (2) which is most clearly the center of his or her domestic life, and
 - (3) which is designated as his or her legal address for voting

Simply having a home in New Jersey is not significant enough to meet the residency requirement; all the above requirements must be met.
