

Title I Schoolwide Update (FY22)

December 13, 2021

7:00pm

1. Social Emotional Learning

- Approval requested at Dec. 14, 2021 Board of Education meeting for administration of SEL student survey via ECRA PLP app in Health & Physical Education classes (first administration in January)
 - Parent notification to follow
- SEL professional development 2 days per week with SEL educational consultant
- Clinical services available for students, families, & staff

2. Support student progress toward graduation and provide pathways to college

- Start Strong Assessment
- Monitoring student performance and planning programming for summer

3. Effective Instruction

- Teachers of English, Math, Social Studies, & Science core courses were all introduced to the district plan for benchmark assessments
 - Currently developing S1 and S2 benchmarks
- Teachers in other content areas are learning to use tools in Performance Matters to monitor and track student progress

➤ ESEA (Title I, Title II, Title III, and Title IV) funds, CRRSA ESSER II funds, and APR ESSER III funds are being collectively used to support and/or expand programming in the following areas

- After school Academic Support
- Summer Transition Camp
- Summer Math Bridge program
- ELL summer program
- Extended School Year Credit Recovery and tutoring
- SEL and mental health professional development and services
- Curriculum revisions
- Freshman Supports Program
- Educational Technology
- Student clubs and activities
