

**ATTENTION ALL EASTERN PARENTS –
PLEASE help support Project Graduation!!**

2022-2023 PARENT SUPPORT FUNDRAISER

Project Graduation was started at Eastern High School in 1993. We support a drug and alcohol free graduation party for all graduating seniors through various fundraising activities. To ensure the future of Project Graduation for the upcoming years, we also need the support of our Entire school to be successful. This is regardless of what grade your child(ren) are in, as they all benefit the same once they are seniors.

Please consider supporting Project Graduation as we would not be able to make it all possible without your continued support and financial contributions.

Eastern High School Project Graduation Committee

WHAT? Project Graduation started at Eastern High School in 1993. It is a drug and alcohol-free graduation party for all graduating seniors. Transportation, entertainment, prizes and food are provided. The event is funded by the work of parent volunteers from **All** grades, various fundraisers, donations, the Municipal Alliance, and the Eastern Education Foundation.

WHERE? The party will be held at the Funplex in Mount Laurel, NJ

WHO? WE Need You!! If you are a parent (of any grade level), we need your help in raising money and planning for this special party held for all graduating seniors on the night of graduation.

****Most of all, we need parents who are interested in keeping Project Graduation an active organization at Eastern! Don't wait until your child is a senior. GET INVOLVED NOW! We need Freshman, Sophomore and Junior parents to volunteer so that they can learn the operation of the organization to make their child's Project Graduation Party a success!**

HOW? You can support Project Graduation.

1. Send in your monetary donation with the attached form.
2. If interested, volunteer in one or more of the following ways:
 - Attend meetings held monthly. See meeting dates below. Our meetings are brief, informational, friendly, and fun!
 - Sign up for a committee or become an event coordinator!!
 - Ask your company or business for a tax-deductible contribution.

WHY? Project Graduation keeps our kids safe while celebrating a very special milestone! The cost for this event is approximately \$40,000, so we need everyone involved!

WHEN? Our meetings will be held on the 2nd Monday of the month in the Learning Center (entrance from main school lobby). Meetings begin at 7:00pm and typically last one hour. The dates for this year's meetings are: 9/12/22, 10/3/22, 10/10/22, 11/14/22, 12/12/22, 1/9/23, 2/13/23, 3/13/23, 4/17/23, 5/15/23, 6/5/23 & 6/12/23
